DISCOVER THE FLG PRODUCT LINE

FLG LUBRIFIANTS

BENEFITS AND CHARACTERISTICS OF FLG PRODUCTS

Manufacturing agreement with recognized businesses and oil companies in **Canada**

Flexibility of the range of sizes and grades

Very **competitive prices**

Meets and exceeds manufacturers' **standards** and **specifications**

FILGO Sonic

FLG LUBRICANT APPLICATIONS

TRANSMISSION OILS
Maximize the life of transmission parts.

- FLG Transmission TO-4 10
- FLG Transmission TO-4 30

ENGINE OILS
Provide increased wear protection, better resistance to oxidation, better fuel economy and longer engine life.

- FLG HD 10W-30 CK-4
- FLG Syn. Blend 10W-30 CK-4
- FLG HD 15W-40 CK-4

CHAIN OILS
Bar and chain oils designed for heavy duty chainsaws.

- FLG Light chain oil
- FLG Medium chain oil
- FLG Heavy chain oil

HYDRAULIC OILS
Protect against oxidation, rust and corrosion while reducing deposit formation and extending service life.

- FLG Hydraulic AW-22
- FLG Hydraulic AW-32
- FLG Hydraulic AW-46
- FLG Hydraulic AW-68

HYDRAULIC OILS
(severe conditions and large temperature variations)
High performance multigrade and anti-wear hydraulic oils.

- FLG Hydraulic HVI-32
- FLG Hydraulic HVI-46

TRANS-HYDRAULIC OILS
Designed for transmissions, differentials and hydraulic transmissions.

- FLG Trans-hydraulic (TDH)

FORM OILS
Specially formulated for use in the construction and precast concrete industries.

- FLG Per-Form
- FLG Bio-Form Multi
- FLG Bio-Form Arctic

Legend:

Available in bulk

Available in 18.9 L

Available in 208.2 L

Available in 1 000 L

Available by the box
